Music for Eight Performers (2014)

Commissioned by Professor Erinn Knyt

Directions for Performance

After the first performer begins, the rest follow at intervals of around 15-20 seconds.

The piece should last between 2-5 minutes.

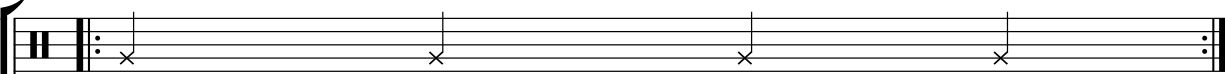

The addition of more performers is possible if time allows and the spirit moves.

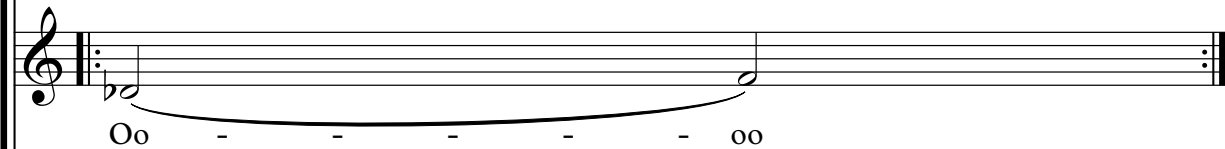

Additional performers should improvise their part. Anything works.

Composed by members of MUS394, Sp 2014
